

Donya

Hello my new friend,

I want to be your pen-pal. Pen-pals are friends who write to each other.

My name is

Antonio

I live in

Washington, D.C.

I go to

school

and I am in the

Kindergarten

because

it is fun.

My favorite things to do are

hold insect larva,

and play frisbee-freeze tag.

Now it's your turn to write back to me.
